### Christmas Number Next Week

Morrisville news appears this week on pages 1, 2, 5, 7, and 8 and on every page in the paper will be found interesting matter appropriate to the season. The advertisers are beginning to get after the early business and furnish much interesting and profitable reading in this issue.

Next week comes our big Christmas number which will be even better than the one issued from this office last year. The merchants recognize a good thing and show their appreciation of the enterprise that makes this issue possible. Watch for it.

The marriage of E. W. Webster, formerly of Morrisville, and Mrs. Elvora Straw took place Tuesday afternoon at the home of the bride in Waterbury Center, Rev. Lemuel Davis performing the ceremony.

Morrisville people will be interested in the announcement that Mr. and Mrs. F. M. Gould of the Shelburne road, Burlington, are winners of \$200, the first prize award in the house contest of Journal designs, given by the Curtis Publishing Co. last August. Mr. and Mrs. Gould sent three views of their house and grounds, together with plans, to the Ladies' Home Journal, but had not based their expectations on anything like first prize as the competition was of national scope, covering the whole United States. That they modestly underestimated the attractiveness of their home is now evident. Mr. Gould is the son of the late H. D. Gould, and was formerly a frequent visitor here.

## THE EARLE STORE AND THE HOLIDAYS

It is generally understood throughout the county that this store is THE place to buy MEDIUM-PRICED holiday goods; the store where a dollar goes a long ways, and at the same time you receive articles that make appropriate gifts for your friends. Three months ago it was thought that there would be no toys or novelties from abroad, but it turns out that there is no limit to the assortment that can be bought.

We have one of the largest displays we have ever brought out and in all departments you can find most anything you may need.

Our line of ten cent articles is said to be simply wonderful. There are articles from all parts of the world and the wonder is that such things can be sold for the small sum of a dime.

There are toys enough to make any small kid simply wild, not only in the variety but in the amount shown. There are games in great variety for the very small youth and for the older ones as well. Games that are very instructive as well as amusing. We wish every person for twenty miles around to come to this store and see what we are doing for the Xmas trade.

For 25 cents we have an unusual display; all useful articles and many things never before brought out.

We are not trying to enumerate here all the things you can find on our counters. It would be impossible. But the prudent buyers can do more with their money at this store than anywhere else. Just come in and see if we cannot back up every statement.

### Black Bear Big Attraction

The great attraction last Friday night and Saturday was the "big black bear" displayed in the window at the Warren meat market. It was inspected and commented upon by several hundred people and nearly as many stories were told, as to its capture. Being unable to answer all the questions, Mr. Warren announced by way of a placard that it was bought—not shot, in Rochester by Glenn A. Wilkins. Mr. Wilkins informs this paper that he secured the bear through R. A. Whittier, who is a prosperous farmer living in the mountain district of Hancock. Mr. Whittier is something of a hunter, having killed 16 bears since May 12, 1915.

The bear was about seven years old and weighed 325 pounds dressed and is one of the largest ever killed in the state. The bear was carried three miles from the woods by five men. The last time Glenn was there a month ago Whittier had ten pelts to his credit and got six more during the deer hunting season. Glenn will have the skin, which is a beautiful black, tanned for a rug.

Mr. Wilkins has asked the members of Mt. Vernon lodge to be his guests on Thursday evening, Dec. 16, at which time a banquet will be held at the Masonic hall, with bear served in various styles as the piece-de-resistance. No doubt there will be a large attendance.

### Presents Cane to G. A. R.

Glenn A. Wilkins has presented J. M. Warner Post with a gold-headed ebony cane, which is to be carried by the oldest member of the Post until his death, then given to the next oldest. At the death of the last member the cane is to be turned over to the Trustees of the Morrisville Centennial Library to be kept in the library building. The presentation was made by Mr. Wilkins at the regular meeting of the Post Saturday afternoon and was accepted for the Post by Commander A. A. Niles, who expressed the gratitude of the veterans for the interest shown in the old soldiers by the donors.

The cane will be turned over to the oldest member at the annual meeting in January.

E. E. Schutt left Monday for a combined business and pleasure trip to Chicago.
